

U.S. Application
PRELIMINARY AMENDMENT

Attorney Docket: 3926.064

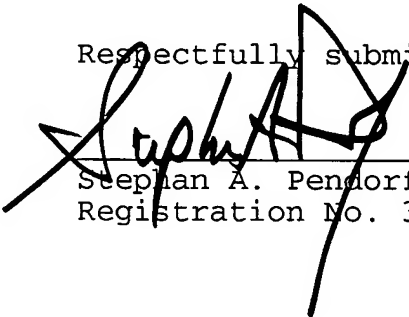

REMARKS

The specification and claims have been amended to conform the original translated specification and claims to U.S. requirements, i.e., appropriate section headers are added, reference in the specification to the claims have been amended in order to eliminate multiple dependent claims and claims improperly depending from multiple dependent claims, and to otherwise conform the claims to U.S. practice. Care has been taken to ensure that no new matter is added to the text.

In parent application 09/744,634 Applicants prosecuted the invention directed to the projection of a color-enhanced color image. The present application concerns the invention directed to the projection of a stereo image.

Entry and favorable consideration prior to consideration are respectfully requested.

Respectfully submitted,
